600ANP

450g Grease Gun & Carry Case

The 660ANP 450g trigger action grease gun & carry case is the perfect combination of convenience and greasing equipment security for in the field and general workshop applications.

Keeping your valuable grease gun free of dirt and contaminants is a real benefit ensuring reliable greasing on demand, every time. The handy and durable moulded carry case is ideal for securing your grease gun and carrying an extra grease cartridge, effectively doubling the grease on hand, as well for containing many of your greasing accessories.

With everything safely in the one place, all those hand greasing operations are quicker and easier than ever before.
