## Mobile 65L Oil Transfer Kit with Meter

August 2019

**The Alemlube EL Series 0300150 Mobile 65L Oil Transfer Kit with Meter is a practical and functional combination of a 65L oil tank, 3:1 ratio oil pump and a metered control valve.**

The wheel mounted tank ensures high mobility, stability and safe oil handling in an around the work environment.

Capable of handling and dispensing oils up to a maximum viscosity of SAE240, the Alemlube EL Series 0300150 transfers oils at flow rates of up to 12 litres per minute.

The Alemlube EL Series 0300150 Mobile 65L Oil Transfer Kit with Meter is an efficient and cost effective solution for transferring and dispensing low consumption lubricant in the automotive, transport and forestry industries and is also valuable for applications in general industry, agriculture, marine and aviation.

**SPECIFICATIONS, FEATURES AND BENEFITS**

- Flow rates of up to 12L/min
- 3:1 ratio air operated pump
- 1/4" BSP(f) air inlet connection
- Effortless oil transfer
- Affordable and robust
- Maximum operating pressure of 116psi (8bar)
- Maximum oil viscosity of SAE240
- Liquid crystal meter display with low battery indicator
- Meter powered by an easily replaceable 3V CR2 battery
- Pump inlet filter protects against foreign particle contamination
- Tested to 600,000L
- Noise level of 82dB
- Saves time and increases productivity
- Low cost of ownership
