

HR30000

## EL Series Hot Water Hose Reel

August 2019

The Alemlube EL Series HR30000 hot water hose reels are quality hose handling, retrieval and storage systems with crimped hose ends, integral carry handle and detachable mounting bracket enabling 180° hose reel rotation. Manufactured with high density impact resistant and UV stabilised polypropylene cover, EL Series HR30000 hot water hose reels feature a positive latching system that automatically locks the hose at the desired length and the heavy duty internal spring assembly easily retrieves the hose when partially or fully extended.

Suitable for use in the agricultural, automotive, manufacturing, contractor and transport sectors, the EL Series HR30000 hot water hose reels increase safety by reducing rewind speed by up to 80%. Mountable on the wall or ceiling, EL Series HR30000 hot water hose reels feature a constant speed control device ensuring safe and accurate rewinding.

### PRODUCT SPECIFICATIONS, FEATURES AND BENEFITS

Speed control device makes automatic rewind safe at all times

3/8" BSP(T) inlet and outlet threads

High flow swivel and fluid path

Max. Working pressure of 300psi (20bar)

-40°C to + 80°C hose working temperature

Automatic and positive latching system

Hose guide system rewinds the hose without kinks

Constant speed control device ensures safe and accurate rewinding

Detachable steel mounting bracket enables 180° hose reel rotation

Convenient carry handle facilitates portable use

Can be wall or ceiling mounted

Lightweight, compact and durable construction

### HR30000 SERIES HOSE REELS

PART No.	PRODUCT DESCRIPTION	PSI/BAR
HR30070	EL Series hot water hose reel complete with 20m x 10mm ID Hybrid Polymer hose and 0.9m lead in hose	300psi/20bar
HR30070C	EL Series hot water hose reel complete with 20m x 10mm ID Hybrid Polymer hose and 0.9m lead in hose & nozzle	300psi/20bar
HR30080	EL Series hot water hose reel complete with 15m x 12mm ID Hybrid Polymer hose and 0.9m lead in hose	300psi/20bar
HR30080C	EL Series hot water hose reel complete with 15m x 12mm ID Hybrid Polymer hose and 0.9m lead in hose & nozzle	300psi/20bar
HR30090C	EL Series hot water hose reel complete with 15m x 12mm ID Hybrid Polymer hose and 0.9m lead in hose & nozzle	300psi/20bar
