## Lever Action Grease Gun

March 2024

**The 660AF manufactured in Germany, is a lever action 450g grease gun capable of delivering up to 1.1cc of grease per stroke.**

It comes standard with a 30cm flexible extension and a 4 jaw coupler for those difficult to get at lubrication points.

Capable of generating grease pressures of up to 12,000psi (827bar), the 660AF features the Twin Lock System that eliminates the possibility of dummy lubrication and the patented Ever-Flow System enabling it to handle thick/tacky grease in extreme temperatures.

The 660AF has a 600g capacity when using bulk grease and features a slip-type pressure/volume adjustment which changes the gun from high pressure to high volume.

The 660AF is easy to operate and comes with a 4 jaw long life grease coupler.

Reliable, dependable and genuinely heavy duty the 660AF carries the benefits of one hand operation, boasts a 4 year warranty and is guaranteed to perform and exceed your expectations.
